

# INSPIRE 2 DRONES

## All In One - Ready To Fly

The DJI Inspire 2 drone is our smallest Dual Operator drone. The DJI Inspire 2 combines quality, innovative design, and state-of-the-art intelligence all in one ready-to-fly system. The DJI Inspire 2 can record up to 6K in Cinema DNG/RAW using DJI Zenmuse X7 interchangeable lenses in 24 / 35 / 50 / 75mm.

We have custom Inspires w/ parachutes that are Transport Canada approved for "Over Public" operations, meaning no permits or lock up below the drone path required (\*minimum elevation of 120ft).
